Mr. H. R. Thompson,  
Diamond T Packing Co.,  
Ketchikan, Alaska.

Sir:

Referring to your reports just received on mild cure operations this season, there are several items which have not been covered: These are (1) amount paid to fishermen for the 19,800 salmon handled, (2) number of employees engaged on the shore, and (3) number of employees on the two launches, also the total amount of wages paid the latter.

My understanding is that your operations at Waterfall were on a scow, and that at Ketchikan you used the new building erected at the upper end of Strong's dock. Please advise me as to whether I am correct in this, also furnish figures as indicated above. An early reply will be appreciated.

My address is Hotel Frye, Seattle, Washington.

Respectfully,

Asst. Agent Alaska Salmon Fisheries.
